Position Title:	<b>Mid-Level Civil Engineer</b>
Salary Range:	<b>DOE/DOQ</b>
Regular Working Hours:	<b>Monday – Friday, 8:00 am – 5:00 pm</b>
Location:	<b>Anchorage, Alaska</b>

### **Minimum Education/Experience Requirements:**

BSCE from an ABET Accredited University. 4 to 10 years of progressively responsible civil engineering design experience, including water, sewer and site development.

### **Job Duties and Responsibilities:**

Civil engineering for infrastructure, water/sewer/storm water and site development for both public and private sector clients; work closely with project managers in the capacity of project engineering on large projects and/or project management/engineering on smaller projects; attend client meetings and present information related projects; as well as provide direction to AutoCAD drafters, designers and junior engineers.

### **Special Skills or Licenses:**

Registered Civil Engineer or ability to obtain within six (6) months. Strong working knowledge of AutoCAD/LDD including roadway alignments, sections, quantities and other civil activities. Proven project management/design team management abilities.

### **How to Apply:**

Completed applications and/or résumés will be accepted at TNH's Anchorage office, Monday through Friday, between the hours of 8:00 a.m. and 5:00 p.m., excluding scheduled holidays. Applicants may pick-up job applications and instruction, along with any job description, at the corporate office during office hours.
